

April 27, 2023

Hi Friends,

As you may be aware, we have been working towards fulfilling the requirements set out by the United Church of Canada, as stated in our update of January 20, 2023, so we can begin our search for a new Minister here at RDLUC.

We are now at a point where our Search Team is in place, and we will be completing the training required and organized by Chinook Winds Region in the next week or so.

Once this is finalized, the Search Team will be able to fully proceed with the process of searching for a new Minister, initiate discussions, and interviews with potential candidates.

We are unable, at this time, to provide any timeline as to how long this may take.

If you have any questions or concerns, please contact our Board Chair, Rob Howard [here](#).
